Evolution or Revolution, who cares. One thing for sure, this boat is the hottest ride in a long time. Innovative, both in design and construction, all things to all people, the "SCUD", is simply like no other. Our high performance playboat hull cleverly combined to what is truly the shortest and most dynamic creek boat ever made. There ain't nothing you can't bomb with a SCUD...

Outfitting

Features our new super locking thigh braces, our new seat system with peli case storage, ratchet backband, molded in safety bar, rescue bars / handles, recessed drain plug, hip pad holsters and foam footrest.
